

## ABOUT US

At Singo Agri, excellence starts with our team. From our hatchery experts and livestock handlers to our support and delivery crew, every person plays a key role in bringing you healthy poultry and rabbit products you can trust.

We work behind the scenes every day to ensure our farming practices are ethical, our animals are well cared for, and our clients receive quality and consistency - every time.

“

*Every delivery. Every animal. Quality you can count on.*

## COMMITTED TO QUALITY & RELIABLE SUPPLY

At Singo Agri Solutions, quality is a process. With responsible sourcing, vaccinations, careful handling and clear allocations, we protect the health and consistency of every order.

We keep communication simple and timelines clear. Whether you book boxes of 100 or per-chick quantities, your order is scheduled, confirmed and fulfilled as promised - delivery available on request.

Result: dependable stock, fair fulfilment and a smooth handover from booking to delivery.

## WHY CHOOSE US?

- ✓ Quality First - Healthy livestock, responsible sourcing and vaccination standards.
- ✓ Reliable Fulfilment - Pre-booked allocations to ensure availability
- ✓ Delivery Options - Route-based delivery for bulk and scheduled orders.

## WE PROVIDE

Supplies healthy, well-bred livestock with reliable allocation, flexible pack options and route-based delivery - suited to both bulk and individual orders.

### Table Eggs (Large)

- Consistent grading & packaging
- Supply: By the box (12 trays) • Bulk options
- Pricing: On enquiry

### Culled Chickens

- Periodic availability for resale or processing
- Reserve in advance • Collection or delivery by arrangement
- Pricing: On enquiry

### Rabbits - Meat & Pets

- Lean-meat grow-outs & well-socialised pets
- Supply: Grow-outs; selected breeding stock on request

## HOW DO WE WORK?

- 1 We keep things straightforward and transparent:
- 2 Book Your Order - Send your enquiry to confirm availability.
- 3 Allocation Confirmed - We secure your stock and advise on timelines.

Ready for Collection or Delivery - Your order is prepared and handed over with care.

A simple process that ensures healthy livestock, reliable fulfilment and peace of mind with every order.
